

## KRB13E EXCLUSIVE HOLE-IN-ONE BENCH TOP BIN INSTALLATION GUIDE

### Parts List:

- 1 Stainless Steel Rim
- 1 Bucket
- 1 Rubber Lid Support
- 1 Lid
- 1 Instruction Sheet

### Instructions:

- Choose your desired mounting position
- Ensure there are no obstructions ie. Pipes, shelves etc.
- Mark and scribe a 272mm  $\varnothing$  hole.
- Cut hole and test fit stainless steel ring.
- Use builders adhesive to hold the ring in place.
- Slip in bucket, then rubber lid support, then the lid.

*If required, you can replace bucket supplied with your own larger one placed under the hole.*

*Plastic liners can be used with the bucket supplied.*
